ORDER:

It seems the husband of the first petitioner and five others being members of the third respondent society raised a dispute in C.S.1/86 when they were not allotted plots as per their seniority and the same was allowed directing the society to allot plots to the petitioners therein including petitioners herein. Aggrieved by the same, the society carried the matter in appeal in C.T.A.No.5 of 1988. After a detailed consideration, the Award passed by the Arbitrator was set aside and C.T.A.No.5 of 1988 was allowed. Aggrieved by the same, except the husband of the petitioner No.1, all others have filed W.P.No.16213 of 1992 and batch. The said writ petitions were disposed of with a direction to the society to consider the case of the petitioners for allotment of vacant plots in their favour against the vacant plots available. Unfortunately, the husband of the petitioner did not join in the writ petition, therefore, he was not made a party to the above writ

petition. Under those circumstances, the present writ petition is filed.

2. There is no necessity of going into all the details. I am of the opinion that this writ petition also can be disposed of in the light of the judgment in W.P.No.16213 of 1992 dated 02nd July 2004.

3. The writ petition is disposed of in the light of the above judgment. No order as to costs.
